

Durex® komfort terrazzo

Terrazzo Finish for Ergonomic Sustainable Flooring

DURABOND  SINCE 1967

NEW

Enduring design. Everyday Komfort.

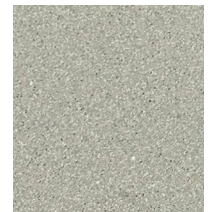

Komfort Terrazzo is a premium finish option for Komfort Ergonomic Flooring, combining the timeless beauty of terrazzo with modern ergonomic performance. Designed for spaces where people stand, walk, and work for hours, Komfort Terrazzo delivers the visual sophistication of traditional terrazzo while providing measurable comfort underfoot.

FEATURES

- **Low-VOC, eco-conscious formulation** supports healthier indoor environments while offering exceptional resistance to wear, impact, and chemicals. Achieving performance in demanding commercial, institutional, and healthcare settings.
- **Komfort Terrazzo offers endless design**, allowing designers to create refined, contemporary, or bold statements that elevate any space—without the cost or rigidity of traditional terrazzo systems.
- **You don't have to choose between beauty, performance, and comfort.** It's flooring designed for people first—without sacrificing longevity or sustainability.
